It's a human, Jesline, where did he come from?
He... fell from the sky...
The sky?
Since when did humans live up in the sky?
No no. I meant he fell off the cliff.
Hm...
I think... he fell on accident...eh...
Even if it was an accident, it rarely happens.
Really?
So what are you gonna do with the kid?
What am I going to do with him? I'm gonna send him back up.
Why would you do that?

Sycho
Pass!!!
Zoom
Ha!
TAP

Grab it!
Nice!
What you mean "Why"?!
Of course we should send him back!
He's so young!!!
Well...
You're naive as always.
It was an accident and
he didn't fall in too deep either,
but he'll be problematic
in the future.

just with a glance
I can tell he can't get more messed up than he is now.
A kid like this...

Hey~ play without me!
What? Boo!!! Come on man!
Thank god your glasses didn't break. Does your nose hurt a lot?

Anyone want to step out?
Don't cry Coco

Eh.. Too bad, huh?
Too bad?
What do you mean

He's just a kid!
How could you?!
Even if he's a human!
He's still just a kid!!!
And yet, you take your knife out?!
GRR-
GRR-
He lived.
Calm down.
That's not
the point!!!
Hmph! Just wait and see.
He's gonna cause us a lot of trouble.
